NAUTILUS VISITS NEW YORK FOR FIRST TIME.....NEW YORK.....SAILORS  
aboard the Navy Tug USS COCHISE, (foreground) wave to sailors aboard the atomic-  
powered submarine Nautilus as it makes its way up New York's Hudson River for  
the first time today. She traveled up the Hudson River as far as the George  
Washington Bridge and back to the battery. The Sub's visit marked the opening  
of Armed Forces week in New York City. 5/13/56 (56-8301)
