UNITED STATES CELEBRATES 140th ANNIVERSARY OF LINCOLN'S BIRTH

Abraham Lincoln was largely self-educated. He had little opportunity for formal schooling in his boyhood years, but his active intellect and desire to learn found their outlet in avid reading. He borrowed what books he could and read them over and over. The photo shows an artist's conception of young Lincoln reading by the light of the fire in his log cabin home. (~~114~~)

Abraham Lincoln fué mayormente un autodidacto. Tavo pocas oportunidades durante su infancia de asistir seriamente a la escuela, pero su inquieto talento y su deseo de aprender, encontraron escape en leer ávidamente. Pedía prestados cuantos libros podía leer, y los leía una y otra vez. La fotografía nos muestra un dibujo representando al joven Lincoln leyendo a la luz de la lumbre en su cabaña de madera.
