

JOHN FITZGERALD KENNEDY INAUGURATED 35TH PRESIDENT OF THE UNITED STATES

JAN. 30. 1961

PT BOAT -- Among the floats in the 1961 Inaugural Parade up Pennsylvania Avenue from the Capitol (background) to the White House in Washington January 20 was a replica of the PT boat which President John F. Kennedy commanded in the South Pacific during World War II. In front of the boat is a unit of U.S. Navy Waves. Behind the boat is a model of the Polaris missile and various types of new Navy aircraft. (61-71)
