

751974

JOVIAL EXCHANGE -- A jovial mood prevails at the conference table in Peking as President Richard Nixon (second from left) and Premier Chou En-lai (second from right) meet on the second day of Mr. Nixon's sojourn in the People's Republic of China. At left is Dr. Henry Kissinger, special assistant to the President, who made two advance trips to the Asian country to prepare for the 1972 visit.
