COLECCIÓN FOTOS EMBAJADA EE UU

Brigadier General Arturo Montel Touzet, Spanish Coordinator for the Search and Recovery Operations at Palomares, Spain, congratulates Commander U. S. Navy Task Force 65, RADM William S. Guest (second from right) on the successful recovery of the fourth and final weapon which was hoisted aboard the USS PETREL (ASR-14) from its 2850 foot perch by members of U. S. Navy Task Force 65. Sr. Don Antonio Velilla Manteca, Chief of the Spanish Nuclear Energy Board in Palomares and Major General Delmar E. Wilson, Commander 16th Air Force watch the ceremony.
