BICENTENNIAL PREVIEW -- Like a visitor from the past, the three-masted U.S. Coast Guard training vessel Eagle stands out against the giant buildings of Manhattan. The craft is scheduled to lead a parade of sailing ships from more than 20 countries in New York harbor on July 4, 1976, America's 200th birthday. At left are the twin towers of the World Trade Center. (75-1721)
