Picture Story No. 725

CENTENNIAL OF THE LAND GRANT

One hundred years ago, the United States Congress passed the Land-Grant Act, giving birth to a vast system of colleges and universities that would be "open and accessible to the poorest boy or girl in the land." Shown in these pictures is Cornell University, one of the sixty-eight land-grant institutions that have contributed much to education, not only in the United States but also in many other countries.

13-19 Land-grant universities now include all branches of learning.
MUSIC: Professor of music coaches a young piano student. (62-3121)
