DOCTORS FOR PEACE — International Physicians for the Prevention of Nuclear War (IPPNW), a group started five years ago to educate the public on the effects of nuclear war, was the winner of the 1985 Nobel Peace Prize. The physicians group, founded in Geneva, Switzerland, has a membership of 135,000 people in 41 countries. Co-founders of the group are Dr. Bernard Lown (left), a cardiologist at Harvard University in Massachusetts, and Dr. Yevgney Chazov of the Soviet Union.
