

165905 USAF - IN FAMILIAR SURROUNDINGS -- S/Sgt. William V. Vargas in raft at upper left and T/Sgt. Lenote M. Vigare begin their 14-hour vigil over the nose cone capsule of Discoverer XXIX which is shrouded by the black tarpaulin in the center of the forward raft. The third member of the group, A/IC Charles W. Hoell, Jr., was in the water but out of view at the time this picture was taken. The trio, their prize capsule package and equipment were picked up the following morning by the USN Destroyer Epperson.
