

TENTH CREW -- Crewmembers for the 41B mission pose in their space suits at the Johnson Space Center in Houston, Texas. Seated in front are Vance Brand (left), commander, and Robert Gibson, pilot. Mission specialists are, standing from left, Robert Stewart, Dr. Ronald McNair and Bruce McCandless. Stewart and McCandless wear the extravehicular mobility spacesuits they will use outside the orbiter. (83-3579-C)
