PHOTO NO. 75-7-395

This photograph is a government publication -- not subject to copyright.
It may not be used to state or imply the endorsement by NASA or by any NASA employee of a commercial product, process or service, or used in any other manner that might mislead. Accordingly, it is requested that if this photograph is used in advertising, and other commercial promotion, layout and copy be submitted to NASA prior to release.

MOSCOW, UNION OF SOVIET SOCIALIST REPUBLICS

ASTP CONTROL CENTER--An interior view of the main control room in the Soviet flight control center for the Apollo-Soyuz Test Project located at the Cosmonaut Training Center (Star City) near Moscow. A group of American ASTP crewmen, along with their Soviet cosmonaut hosts, stand on the balcony overlooking the consoles. The Soviet ASTP project director's console is in the center. The American astronauts were in the Soviet Union to take part in ASTP joint crew training.
