

### INSIDE THE WHITE HOUSE

Seldom does the general public have a chance to see behind the scenes of a great public office. However, since John F. Kennedy became President of the United States, a number of photographers have made fascinatingly candid pictures inside the White House, many of which are presented in this picture story.

---

1-23 Standing at his desk in the White House, President John F. Kennedy concentrates on a telephone call. The bandage over his left eyebrow closes a cut he received when, picking up a toy for his daughter, he bumped a table. (61-6025)
