STATUE OF LIBERTY CEREMONY -- President and Mrs. Lyndon B. Johnson arrive with Vice President and Mrs. Hubert H. Humphrey (right) at Liberty Island in New York harbor where Mr. Johnson signed into law the new U.S. immigration act on October 3. In background is the famous Statue of Liberty which has greeted immigrants arriving by ship in the harbor since 1886. The new law ends the national origins quota system that has governed immigration into the United States for the past 41 years. (65-3601)
