

MRS. RICHARD M. NIXON WA-384

Mrs. Richard M. Nixon, wife of the Vice President of the United States, enjoys a quiet afternoon at home helping her daughter Tricia with her music lesson while the younger daughter Julie looks on. Often called "the busiest woman in Washington," Pat Nixon budgets her time carefully in order to fulfill her public responsibilities and still do "almost everything" in her home and for her family. In 1953 she was named the "Outstanding Homemaker of the Year."
