Capítulo 3. Burrowing mammals as ecosystem engineers: warren building by rabbits (<i>Oryctolagus cuniculus</i>) in a Mediterranean dehesa	
Resumen en castellano.....	41
3.1. Introduction.....	44
3.2. Material and methods.....	45
3.3. Results.....	50
3.4. Discussion.....	53
Capítulo 4. European rabbits as ecosystem engineers: warrens increase lizard density and diversity	
Resumen en castellano.....	65
4.1. Introduction.....	68
4.2. Material and methods.....	69
4.3. Results.....	71
4.4. Discussion.....	74
Capítulo 5. Rabbit (<i>Oryctolagus cuniculus</i>) engineering effects on a Mediterranean plant community	
Resumen en castellano.....	85
5.1. Introduction.....	88
5.2. Material and methods.....	89
5.3. Results.....	92
5.4. Discussion.....	94
Capítulo 6. Herbivores and the soil seed bank of an annual plant community: productivity, herbivore identity and endozoochory	
Resumen en castellano.....	107
6.1. Introduction.....	110
6.2. Material and methods.....	111
6.3. Results.....	114
6.4. Discussion.....	117
