

C1252F1

CAPITAL VIEW -- This dramatic photograph of Washington shows the U.S.

C1252F1

Capitol surrounded by (from left) the Senate office buildings, the Supreme Court building, the Library of Congress and the row of House office buildings. In foreground are a new reflecting pool covering a freeway tunnel and the Botanical Gardens. The domed structure where the Congress meets is one of the most popular tourist attractions in the federal city. (77-2401)
