

Title: CHANGING FACE OF "THE ROUTE OF PRESIDENTS"

Picture Story No.: 1062

Photo Bulletin No.: 42

Log Number for Picture: This is picture 5-7, with log number (67-1014)

5-7: Model of area to be revamped includes, between Capitol (1) and White House (2), restoration of trees, decorated paving, sidewalks sheltered by arcades and tiered for parade-watching. Also in plan: Capitol Plaza (3), Market Square (4), Center for Advanced Studies (5), National Square (6), Post Office Department formal garden (7), and National Sculpture Garden (8). Postal tower would be retained (9) but building replaced. Most structures at right of Avenue exist, but those at left are mainly visualizations--except private office building under construction. (10), existing U.S. Courthouse (11), buildings designed for Federal Bureau of Investigation (12), Labor Department (13) and District of Columbia (14).
