Picture Story No 612

### THE QUESTIONERS

In the United States, graduate education -- laying stress on original research by students and teachers -- usually begins after four years of collegiate study. The graduate student is required to attend advanced classes and seminars and to conduct independent research. As shown by these pictures made at the Johns Hopkins University in Baltimore, Maryland, -- a pioneer in graduate education -- few fields of knowledge and few dark corners of human ignorance escape the scholar's probing interest.

13-15 From a boat equipped by the university as an oceanographic laboratory, a diver prepares to make underwater explorations of Chesapeake Bay. (59-13001)

59-13001

Education: Miscellaneous

C43 2545

Desde un barco equipado por la Universidad John Hopkins de Baltimore (Maryland) con un laboratorio oceanográfico, un buzo se prepara a realizar exploraciones submarinas en aguas de Chesapeake Bay.
