FOR RELEASE: Immediate
PHOTO NO. 76-H-747
76-LIC-772

This photograph is a government publication—not subject to copyright.
It may not be used to state or imply the endorsement by NASA or by any NASA employee of a commercial product, process or service, or used in any other manner that might mislead. Accordingly, it is requested that if this photograph is used in advertising, and other commercial promotion, layout and copy be submitted to NASA prior to release.

KENNEDY SPACE CENTER, Fla. -- The Marisat-C spacecraft undergoes testing in Hanger AN at Cape Canaveral prior to encapsulation and move to Complex 17 for mating with its Delta launch vehicle. Marisat-C will be launched by the Kennedy Space Center Expendable Vehicles Directorate for COMSAT General Corporation October 14.
