This photograph is a government publication and is in the public domain. No copyright is claimed. It may not be used to create or imply the endorsement of NASA or any NASA employee or a commercial product. It may not be used in any way for purposes that might mislead, defame, or otherwise harm the United States or its agencies. If it is requested that this photograph be used in any publication, it is requested that the publisher, printer, or other commercial production, layout and copy be advised of the conditions of release.

Astronaut Aldrin poses for a photograph beside the deployed flag of the United States during the Apollo 11 EVA. The lunar module is on the left. The astronaut's footprints in the soil of the moon are visible in the foreground. Armstrong used a 70 mm camera in taking this picture.

Science: Astronautics (Project Apollo - Apollo 11)  
El astronauta Aldrin aparece en esta secuencia fotográfica posando tras la bandera de los Estados Unidos que aparece desplegada. El módulo lunar aparece a la izquierda de la fotografía. Las pisadas de los astronautas sobre la superficie lunar son fácilmente identificables. Para obtener esta fotografía, el astronauta Armstrong utilizó una cámara fotográfica de 70 mm.
