

FAMILY WELCOMES -- The three Apollo-10 astronauts receive warm welcomes from their families on arrival at an airport near the Manned Spacecraft Center in Texas on May 27. The spacemen flew in from the South Pacific where they ended their eight-day lunar mission with an on-target splashdown. At left, Gene Cernan hugs his daughter Tracey and wife Barbara. Tom Stafford holds his daughter Karin and at right John Young embraces his wife Barbara. Approaching at right are John Young Jr., Sandy Young, Dionne Stafford and Mrs. Stafford.
