

GEMINI ASTRONAUTS WELCOMED BY FAMILIES -- U.S. astronauts James McDivitt (right) and Edward White are welcomed by their families June 10 at Ellington Air Force Base near Houston, Texas. The astronauts were flown to Texas from Florida where they returned after completing their 62-orbit space flight aboard the Gemini IV spacecraft and their post-flight debriefings aboard the recovery ship USS Wasp. Surrounding McDivitt are his sons Mike, 8, and Patrick, 4, his daughter Ann, 7, and his wife Pat. Flanking White are his son Eddie, 11, his daughter Bonnie Lynn, 9, and his wife Pat. (65-2159)
