This photograph is a government publication-- not subject to copy-right.
It may not be used to state or imply the endorsement by NASA or by any NASA employee of a commercial product, process or service, or used in any other manner that might mislead. Accordingly, it is requested that if this photograph is used in advertising, and other commercial promotion, layout and copy be submitted to NASA prior to release.

JOHNSON SPACE CENTER, HOUSTON, TEXAS

STAFFORD AND FAMILY--Astronaut Thomas P. Stafford poses for a family portrait with his wife, Faye, and their two daughters, Dionne (left) and Karin in their home in El Lago near the Johnson Space Center. Stafford is the commander of the American prime crew for the Apollo-Soyuz Test Project docking in Earth orbit mission scheduled for July 1975.
