This photograph is a government publication -- not subject to copyright.

It may not be used to state or imply the endorsement by NASA or by any NASA employee of a commercial product, process, or service, or used in any other manner that might mislead. Accordingly, it is requested that if this photograph is used in advertising, and other commercial promotion, layout and copy be submitted to NASA prior to release.

WASHINGTON -- APOLLO II EMBLEM -- This is the emblem which the Apollo II astronauts will wear when they lift off of Pad 39 A at Kennedy Space Center, Fla., and embark on the first lunar landing mission. Launch is scheduled for July 16, and Astronaut Neil Armstrong is to set foot on the lunar surface early on the morning of July 21.

This is the official Apollo II emblem, property of the Government of the United States. It has been authorized only for use by the astronauts. Its reproduction in any form other than in news, information and education media, is not authorized. Unauthorized use is subject to the provisions of Title 18, U.S. Code Sec. 701.

69-2508 SCIENCE: Astronautics (Project Apollo - Apollo XI)

EMBLEMA DE LA MISIÓN APOLO XI.- El emblema de la misión Apolo XI muestra un águila americana agarrando un ramo de olivo, símbolo de la paz, en el momento de llegar a la Luna, con, al fondo, una tierra parcialmente iluminada.
