

## Índice

<b>Capítulo 1.</b> Introducción general.....	1
<b>Capítulo 2.</b> Métodos generales.....	25
<b>Capítulo 3.</b> Seasonal shifts in habitat use by different-sized herbivores in a semi-arid Mediterranean ecosystem	
3.1. Resumen en castellano.....	41
3.2. Introduction.....	44
3.3. Material and methods.....	45
3.4. Results.....	50
3.5. Discussion.....	50
<b>Capítulo 4.</b> Habitat use by adult and juvenile wild rabbits ( <i>Oryctolagus cuniculus</i> ) in a heterogeneous Mediterranean semi-arid ecosystem	
4.1. Resumen en castellano.....	63
4.2. Introduction.....	65
4.3. Material and methods.....	67
4.4. Results.....	69
4.5. Discussion.....	71
4.6. Conclusions.....	73
<b>Capítulo 5.</b> Above and belowground plant responses to grazing by different-sized herbivores under different productivity conditions in a Mediterranean grassland	
5.1. Resumen en castellano.....	81
5.2. Introduction.....	84
5.3. Material and methods.....	85
5.4. Results.....	87
5.5. Discussion.....	88
5.6. Conclusions.....	93
<b>Capítulo 6.</b> Grazing by different-sized herbivores does not affect plant diversity in semi-arid Mediterranean pastures	
6.1. Resumen en castellano.....	99
6.2. Introduction.....	101
6.3. Material and methods.....	103
6.4. Results.....	105
6.5. Discussion.....	107
<b>Capítulo 7.</b> Síntesis, discusión general y conclusiones.....	115
