Baltimore, Maryland-- The Johns Hopkins Hospital, ~~shown here~~, is one of the most renowned in the United States. Patients are referred to this hospital by doctors all over the Nation. The hospital is operated in conjunction with the Medical School of John Hopkins University and shares with the school a world-wide reputation for eminence in the medical sciences. It began operation in 1889, four years before the medical school was opened. The Administration Building and the 21 auxiliary buildings linked to it by corridors are on a 13-acre plot of ground in the heart of Baltimore.
